12th March 2020

Dear Parent / Guardian

As I am sure you have heard through the media today, Mulroy College will be closed from 6pm this evening 12th March 2020 until Monday 30th March 2020.

This measure is in place following the recent announcement from the Taoiseach regarding school closures with effect from tomorrow.

We wish to inform you that teachers have already measures in place to accommodate remote learning for our students through Google Classroom. This remote learning tool has been in use within the College for a number of years. All students have an email address and access to all teachers via email and Google classrooms for all classes and subjects. Teachers will upload work during the two week period and all students have been advised to log onto all their Google classroom groups each day. Teachers will be available to students each day via email during school hours.

All students have been asked to remove all items books etc as the school will not be open to them or to the public during this period.

Parents can ring the school if they have any queries between 10am - 12pm daily or via email on mulroycollege@donegaletb.ie. We will try to respond to every query.

These measures have been taken to ensure everyone's safety and wellbeing. We hope our measures will ease any stress or anxiety caused during this time of uncertainty.

Any further updates from the Department of Education will be sent to parents as we receive them.

Fiona Temple
Principal Mulroy College
