Addendum to Mulroy College Code of Behaviour

Rationale

In light of the need for students to be more mindful of attending school during the current Covid-19 climate, this amendment to the Code of Behaviour Policy is required so that students will be aware of specific rules on their return to school. Our guiding principle when making any changes or adjustments to this policy is to be able to keep all of our students, families and staff safe.

These amendments will be communicated to students, parents and staff.

Note to Parents/Guardians:

Parents/guardians are required to observe and respect all social distancing protocols in relation to any contact with the school. This includes maintaining a two metre distance to other families when dropping off or collecting their children from the school and any contact with the school. All visits to the school are required to be made in advance.

Behaviour Expectations

Our school requires every member of the school community to observe and respect the principles of social distancing, cough and sneeze etiquette and make every effort to minimise risk to oneself and others.

This requires us to modify some of our behaviours which include;

- amended expectations about breaks or play times, including where students may or may not congregate
- clear rules about coughing or spitting at or towards any other person
- clear rules for students at home about conduct in relation to remote education
- identify any reasonable adjustments that need to be made for students with more challenging behaviour.

School Routines and Procedures

All members of the school community have to be mindful of the following;

- following any altered routines for arrival or departure
- following instructions on who students can socialise with at school
- moving around the school as per specific instructions (for example, one-way systems, out of bounds areas, queuing)
- rules about sharing any equipment or other items including drinking bottles
- use of toilets

Hygiene and Health Expectations

- following school instructions on hygiene, such as handwashing and sanitising
- expectations about sneezing, coughing, tissues and disposal ('catch it, bin it, kill it') and avoiding touching your mouth, nose and eyes with hands
- tell an adult if you are experiencing symptoms of coronavirus

Wellbeing and Social and Emotional Learning

Our school will provide a safe and pleasant environment and spend a considerable amount of time liaising with students on promoting their wellbeing. This will include;

- Curriculum changes to support students during SPHE, PE and CSPE classes
- Additional time devoted to in-class discussions on general wellbeing and development
- Additional supports that students can access outside of classroom if required

Students must:

- Arrive to and depart from school premises at the agreed time
- Proceed to the designated classroom without delay
- Follow instructions from staff members on movement throughout the school campus
- Ask for permission to go to the toilet
- Wash hands thoroughly before entering school premises and while in school, wash their hands for at least 20 seconds more often than usual with soap and water or hand sanitiser
- Remain in their designated seating within the classroom during classes
- Wear a face covering in class and in any area when a physical distance of 2m cannot be maintained. The face mask must be compliant with the guidelines of the school and must not have any slogans or logos that may be deemed offensive or not showing a positive regard for the school community
- Keep a safe distance from other students and refrain from physical contact with their peers
- Maintain healthy practice when coughing or sneezing, cover any cough or sneeze with a tissue, then throw the tissue in a bin
- Wash hands often with soap and water for at least 20 seconds and avoid touching the mouth, nose and eyes with hands
- Adhere to rules in relation to toilet visits and pre-arranged playtime activities.
