

Vaping: The Risks

Vaping is not safe.
An online talk for
parents of teenagers.

Learn more about the
chemical contents of
vapes and their
potential impact on
health.

The Parent Hub Donegal, in association with the Donegal Parent's Support Champions, present an online information talk for parents:
Teenagers and Vaping. How to talk to your young person about the risks.

WHEN:

**Tuesday 10th September:
7pm - 8pm**

SPEAKER

Christina McEleney,
Alcohol and Other Drugs Coordinator
with Donegal ETB
